# NAPTA Process Technology Curriculum

Introduction to Process Technology, 2e

Print Text ISBN-13: 9780134808246
Access Code Card for Mylab Process Technology to accompany Introduction to Process Technology, 2e ISBN-13: 9780134813165
Package of Access Code Card and PrintText for Introduction to Process Technology, 2e ISBN-13: 9780135497951

Introduction to Process Technology provides learning material for the first course of a process technology program. The updated 2nd edition aligns with the new NAPTA curriculum. It focuses on safety, explores the industry's modern-day processes and legislative influences, and includes new critical-thinking exercises, graphics, and instructor resources.
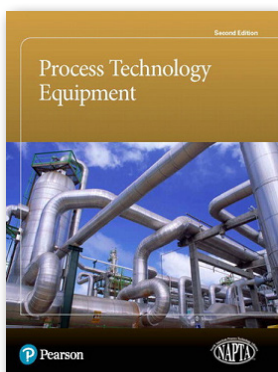

Process Technology Equipment, 2e

Print Text ISBN-13: 9780134891262
Access Code Card for Mylab Process Technology to accompany Process Technology Equipment, 2e ISBN-13: 9780134891330
Package of Access Code Card and Print Text for Process Technology Equipment, 2e ISBN-13: 9780135949276

Process Technology Equipment provides a common national standard for the process technology equipment course of a process technology degree program. It focuses on the tools and equipment of the process industries and doubles as a valuable reference guide throughout a process technology career. The 2nd edition has been thoroughly updated and revised to align with the new NAPTA curriculum.
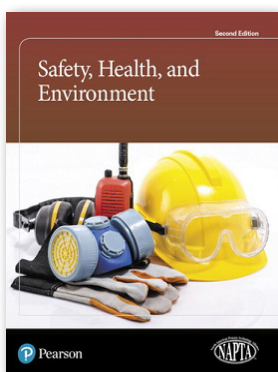

Safety, Health, and Environment, 2e

Print Text ISBN-13: 9780135572498
Access Code Card for Mylab Process Technology to accompany Safety, Health, and Environment, 2e ISBN-13: 9780135558270
Package of Access Code Card and Print Text for Safety, Health, and Environment, 2e ISBN-13: 9780135949283

Safety, Health, and Environment provides a common national standard for the safety, health, and environment course of a process technology degree program, while serving as a valuable reference guide. The 2nd edition has been thoroughly updated and revised to align with the new NAPTA curriculum.
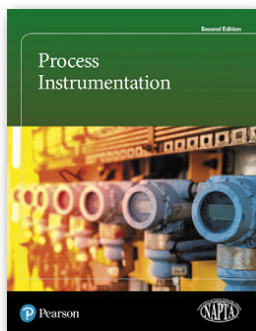

NAPTA Process Technology Curriculum

Process Instrumentation, 2e
Print Text ISBN-13: 9780135213926
Access Code Card for Mylab Process Technology to accompany Process Instrumentation, 2e ISBN-13: 9780135256497
*Package of Access Code Card and Print Text for Process Instrumentation, 2e ISBN-13: 9780135949269*

Process Technology Instrumentation is designed to teach students about various instrumentations used in the process industries. This text includes a variety of topics including, control loops, symbology, troubleshooting and safety systems. Each chapter contains objectives, key terms, a summary, review questions and activities to enhance the learning experience. Students will find this textbook to be a valuable resource throughout their process technology career.
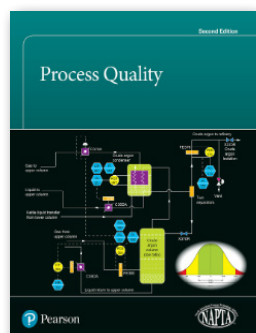

Process Operations, 2e
Print Text ISBN-13: 9780136419914

Process Operations provides a common national standard for the Process Operations course of a Process Technology degree program, while serving as a valuable reference guide. The 2nd edition has been thoroughly updated and revised to align with the new NAPTA curriculum objectives.
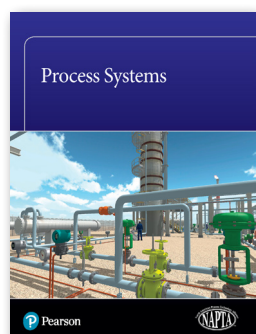

Process Quality, 2e
Print Text ISBN-13: 9780136424703

Process Quality provides a common national standard for the Process Quality course of a Process Technology degree program, while serving as a valuable reference guide. The 2nd edition has been thoroughly updated and revised to align with the new NAPTA curriculum objectives.

Process Systems, 1e
Print Text ISBN-13: 9780136929048

This new First Edition of Process Systems provides comprehensive coverage that aligns with the NAPTA core course objectives and the Process Technology Examination—Chemical & Refining (PTEX-CR).

MyLab with Pearson eText

https://www.pearsonmylabandmastering.com/northamerica/mylab-process-technology/
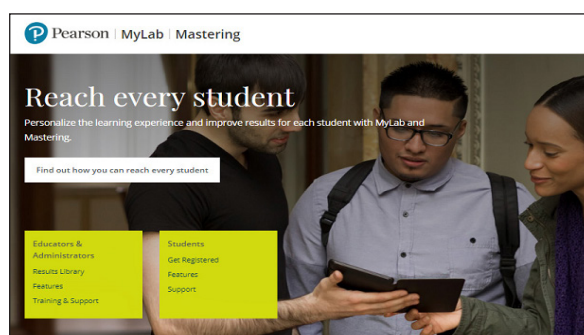

Personalize the learner experience and improve student outcomes with full digital access!

Available for the following:
- *Introduction to Process Technology, 2*
- *Process Technology Equipment, 2e*
- *Safety, Health, and Environment, 2e*
- *Process Instrumentation, 2e*

Includes:
- *Key Term Review (interactive)*
- *Chapter Review Quiz Questions*
- *Equipment and Process Review (interactive)*
- *Short Answer Questions*
- *Pearson eText*
