HOW YOU
CONTRIBUTE TO THE
WORK PLACE

MAKING THE BEST
OF YOUR
SITUATION

THINGS THAT ARE
PRESENT IN A
POSTIVE
ENVIRONMENT

RECOGNIZING AND
CHOOSING
ATTITUDE
INFLUENCES

WHAT IS AN
ATTITUDE?

Your contribution to the Workplace.....

What do you bring?

What would prevent you from contributing?

What can you do to keep those causes from impacting you?

Things that are
present in a
positive work
environment

SAFE

EXCELLENCE

RELIABLE

FAIRNESS

ENJOYMENT

ACHIEVEMENT

What is an Attitude?

a person's perspective toward a specified target and way of saying and doing things

What influences your attitude?

Health, job, boss, weather,
family, other people's attitude,
Time of day, day of the week,
month of the year

S.E.E.

Behaviors

Motivation

Self-Dialog

Beliefs / Values

So it is your choice...

How do you make the best of your situation?

How do you manage your internal dialog?

How do you control how outside influences impact what is going on inside?

YOUR CHOICE

How do you make the best of your situation?

How do you manage your internal dialog?

How do you control how outside influences impact what is going on inside?

Lets Review:

What do you bring to the workplace

Things that are present in a positive environment

What is an Attitude?

Recognizing and choosing
Attitude Influences

Making the most of
your situation

A photograph of a dirt path in a forest, covered with fallen leaves. In the middle of the path, there are six 3D rendered stick figures in a light green color, appearing to be dancing or jumping. The background is filled with tall, thin trees and dense green foliage. The lighting is natural, with dappled sunlight on the ground.

Lets talk about this path
you are walking on
